A BILL

1       FOR AN ACT relating to schools; to require a driver safety course  
2               as prescribed; and to provide an operative date.  
3       Be it enacted by the people of the State of Nebraska,

1           Section 1. (1) Each school district shall develop for  
2 incorporation into the curriculum of grades ten through twelve a  
3 driver safety course which meets the requirements of subdivision  
4 (2)(a) of section 60-4,120.01 for pupils who are at least sixteen  
5 years of age but less than eighteen years of age. The driver safety  
6 course shall be an elective course.

7           (2) The Commissioner of Education shall prepare such  
8 teaching aids and materials as may be necessary for a driver safety  
9 course under subsection (1) of this section.

10           (3) School systems failing to meet the provisions of  
11 subsection (1) of this section shall be guilty of a deviation from the  
12 rules and regulations for the approval and accreditation of schools,  
13 and proper action by the State Department of Education shall be  
14 taken.

15           (4) This section becomes operative on July 1, 2008.
